Proposal for speed change in Trafalgar area

A Speedwatch team was set up a couple of years ago by residents who were concerned at the frequent accidents in the area. They, along with Trafalgar Neighbourhood Council, are working on a proposal to introduce a 20mph speed limit in the Trafalgar area.

The proposal can only progress if the Neighbourhood Council receives enough feedback from residents. Residents are asked to take a few minutes to read [the proposal](#) and either email their views to 20intrafalgar@gmail.com or fill in their [online survey](#).

Please also spread the word to other local residents. In the email they should state whether they are a Trafalgar resident or visit the area regularly e.g. taking children to

school, attending church services and events.
