Mission, Vision & Values

Our **Mission** is the Biblical mandate that never changes
and is expressed in our mission statement as:

'Following Jesus. Serving our Community'

Vision

In September 2022 we started a journey looking at the vision of the church.
For 12 months we had various meetings, times of prayer and conversations on what the vision is for TRBC.

After this time, the church felt we were being called:

**'To be a God-centred and family-focused community
that helps everyone meet Jesus'**

You can read more about our journey to this vision by reading our [Vision Booklet](#).

Values

Following our agreement on our Vision, we went on a journey to look at the values of the church. We looked at who we are and spent time in prayer and meetings looking at what our core values are.

In June 2025, the church felt that we are to value:

- **Welcoming**

We believe that God welcomes people into His arms

We want everyone to feel welcomed when they are with us

- **Caring**

We believe in a caring God

We want to show care for people and the world

- **Listening**

We believe that God listens to us when we call on Him

We want to listen well to God and to people

- **Sharing**

We believe in a generous God who shares His love and resources with us

We want to share life, faith and Jesus with people in a generous way

Link to Hope

At the end of July, Kay launched this year's shoebox appeal for Link to Hope.

There is a box in the Gathering Space to receive items, including shoeboxes. A [list of items](#) suggests the most useful items for the boxes, but other small gifts can be included.

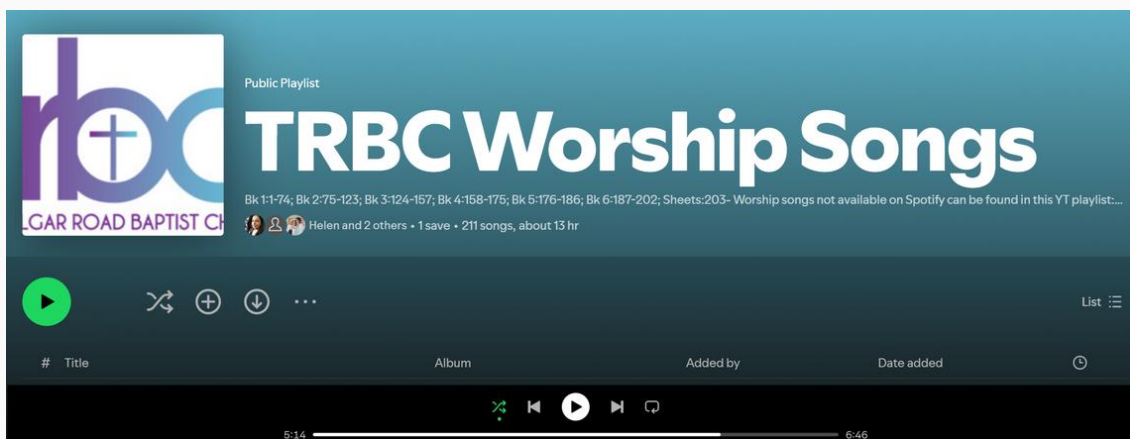

Knitted and crocheted items are always well received, and we have patterns and wool for anyone who would like to make something. (We can send knitted toys containing stuffing, but they have to go separately and not in the shoebox due to customs controls. They still get given out and are much loved.)

During October we will be packing boxes and there will be opportunities to help with that. We will let you know dates nearer the time.

TRBC Spotify Worship Songs playlist

As Pastor Jon shared, we now have a 'TRBC Worship Songs' playlist! Although not exhaustive, this covers a good number of the songs we sing - it is 211 songs long, roughly 14 and a half hours!

The list is in order of the Songs of Fellowship numbering system, with newer songs (approximately written 2016 and onwards) following on at the end.

To access this playlist, please [click here](#)

You do need to have a Spotify account to listen. If you have a free Spotify account, you are

able to listen to a shuffled version of this playlist, with a few Spotify suggested songs (which should be labelled as 'Smart Shuffle').

Any questions or if you are having difficulties accessing this playlist, please speak to Faith, Helen Tilley, or the Worship Group Coordinator, Chris Teager.

Trafalgar Speedwatch Team - 20mph update

A message from your Trafalgar Speedwatch team. After much negotiation, two new speed signs, financed by the Trafalgar Neighbourhood Council have been installed in Rushams Road and Merryfield Drive. Last summer, backed by the TNC, 524 local residents, of which 96% agreed, signed a petition requesting a 20mph limit for the area enclosed by Merryfield Drive/Redford Avenue, Greenway and Rushams Road. This was turned down by West Sussex County Council but we were invited to reapply for a 20 mph limit on a more focussed area. We shall now be focusing our attention on a new 20mph application just for Rushams Road between Greenway and Trafalgar Road.

The Trafalgar Speedwatch team was established in January 2021. We would welcome more volunteers to cover the Trafalgar area. Full training is given and we work in pairs.

Each week we respond to a What's App message saying whether or not we can do a one hour session & agree the location. We only run sessions in daylight hours and in dry weather. It is entirely voluntary so sessions can be arranged for a time to suit the volunteers. The speeders we identify are reported to Sussex Police who then send a letter out to the registered owner which has a positive effect on reducing speeds. The data we collect helps to inform the decisions made about road safety in our local area. If you think you could help, please contact (Colin on 07711 023493 or email colinbush2302@gmail.com. You can also get more information at www.communityspeedwatch.org).
