The point of the fair is to:

- Use the gifts and skills of people in TRBC to bless the community
- Raise money for Charity
- Share the Gospel
- Build connections
- Invite people to further events

You can find out how you can help [here](#), or reading the material on the Information Table on a Sunday morning, where you will also find the sheet to sign up. An online version will be available next week.

### Volunteer sign-up

We hope to run lots of different events at TRBC but to do this we need your help! We would love to have a 'bank' of volunteers who we can call upon to help at different events at TRBC. This doesn't commit you to every event, but helps us to know who to ask! Feel free to tick more than one!

You can either fill in the form [online here](#), or fill in the paper copy, which is available on the Information Table on Sundays.

## **Eco Tips Calendar 2026**

### **Eco Tips Calendar 2026 - January**

[A Rocha UK](#) is a Christian Charity working to protect and restore the natural world and is committed to equipping Christians and churches in the UK to care for the environment.

They have produced an Eco Tips Calendar for 2026, which has fresh ideas each month and will help to foster a lasting commitment to a greener lifestyle. Sustainability isn't a one-time effort; it's a continuous journey. Small actions can lead to significant impact. Everyone can contribute, regardless of their lifestyle or schedule.

### January's Eco Tip

The RSPB's Big Garden Birdwatch (Friday 23rd - Sunday 25th January) is the world's largest garden wildlife survey! Last year, nearly 600,000 people took part and over nine million birds were counted. We've lost a staggering 38 million birds from UK skies in the last 60 years. With birds facing so many challenges, it's more important than ever to get involved in the Birdwatch.

To take part, spend one hour counting the birds you see in one location – your garden, balcony or a local park. Submit your findings to the RSPB. You can download a free guide and ID chart to help you identify the birds you spot on the [RSPB website](#).
