

1. Pray It...

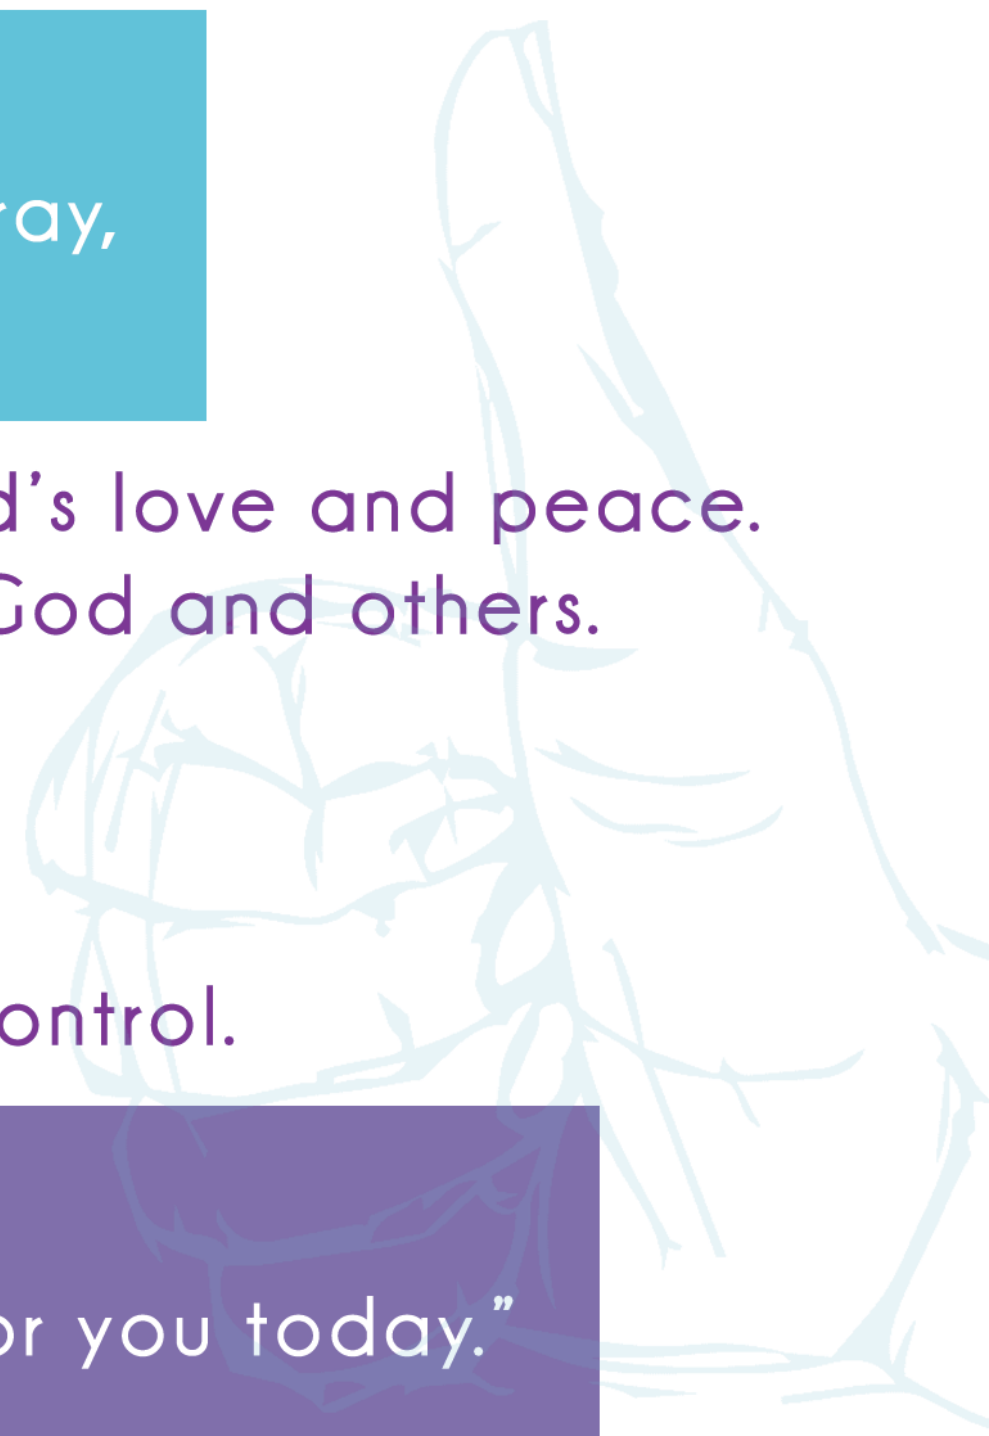

Pray every day for
one different person in the church.

What to pray?

If you don't know what to pray,
here are some ideas:

For them to experience God's love and peace.
For their relationships with God and others.
For the fruit of the Spirit
to be evident in their lives:
love joy, peace, patience,
kindness, goodness & self-control.

Even better:

Tell the person, "I prayed for you today."
